Sunroof Wind Deflectors

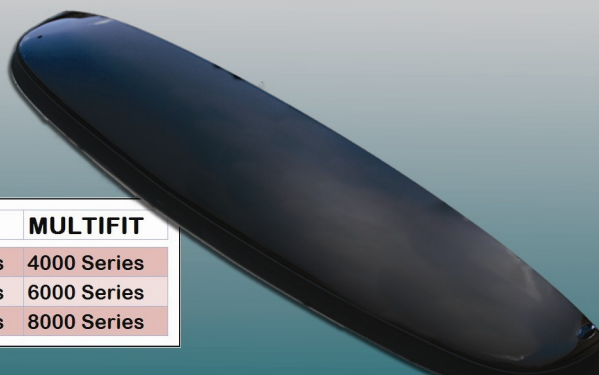

Standard Deflector

The standard sunroof deflector with its

elegant design is available for OEM, aftermarket and multifit applications. The design options provide control of airflow with a single flap or individually for the driver and passenger with dual flaps.

	OEM	MULTIFIT
STANDARD	1000 Series	4000 Series
SINGLE FLAP	7000 Series	6000 Series
DUAL FLAP	3000 Series	8000 Series

All Benevento Sunroofs come with easy to mount instructions, all the necessary hardware, AND a limited lifetime warranty. The multifit 4000 series fit most cars, trucks and SUVs with only 8 part numbers.

The smart Aeroforce sunroof deflector boasts an elegant design and multifit applications. The dual flap option gives independent airflow controls for the driver and passenger side. The deflectors come with easy clip-on installation instructions and plugs for the unused holes.
